### Description

Exceptional painting by Guilbert from the Barbizon school with all its details and finesse. Remarkable pictorial technique of delicacy and charm for this oil on canvas. In its juice and its old patina! Very pleasant campaign subject with its characters at their occupations! Villager and his donkey crossing the village bridge, the birds probably ducks on the river and all its vegetation superbly brushed by the painter! Format of 65x56 cm with frame and 55x46 cm without. Visually stunning and very decorative. Do not miss ! Interesting table in its content and colors!
