Description

Presentation of an Exceptional and Old Game Table

We are pleased to present to you a rare and remarkable piece: a magnificent and old system game table. This table is not just an object of furniture, but a true testament to artisanal know-how and timeless elegance.

A Unique and Unexpected Opening

Unlike traditional game tables which open sideways to form a square table, this one is distinguished by a lengthwise opening. Once deployed, it reveals a generous rectangular surface measuring 180 cm in length. This rare feature not only offers a large playing surface, but

also an atypical layout that immediately attracts attention and arouses admiration.

Characteristics and Dimensions

Closed:

- **Top height**: 76.5 cm
- **Height under headband**: 60.5 cm
- **Length**: 90 cm
- **Width**: 60 cm

Opened :

- **Length**: 180 cm
- **Width**: 60 cm

These generous dimensions allow this table to adapt equally well to restricted spaces when closed and to larger environments when open, thus offering remarkable flexibility of use.

Materials and Ornaments

This game table is made of marquetry wood, testifying to an ancient decorative art where each piece of wood is carefully chosen and adjusted to create artistic patterns. The bronze ornaments add a touch of refinement and nobility, while the green felt mat on the game board provides an ideal surface for playing, both soft and functional.
