Description

This impressive grandfather clock, created around 1860 in France, measures 70 cm in width, 248 cm in height, and 32 cm in depth. Meticulously crafted from rich mahogany, this timepiece stands as a stunning example of 19th-century French craftsmanship.

The clock's commanding presence is accentuated by its elegant mahogany woodwork, which showcases both the artistry and sophistication of its era. The clock face features the name "Douin, Montdidier," adding a unique historical touch and enhancing its character.

With its grand stature and finely detailed woodwork, this grandfather clock serves not only as a functional timepiece but also as a striking
