### Description

Discover this magnificent pendant necklace in 18-carat white gold, a jewel of exquisite elegance. With its white gold chain and delicate pendant, this necklace is a true masterpiece of craftsmanship.

The 18-carat white gold pendant is the focal point of this necklace. Its elegant, timeless design highlights the purity and brilliance of white gold. The matching white gold chain adds a touch of sophistication to the ensemble, creating a perfect balance between refinement and sparkle.

This necklace is set with nine "Emerald" diamonds of exceptional quality. Their total weight is 1.07 carats, testifying to the remarkable presence of these precious stones. Emerald"
