

## Large Carved Black Forest Cross

450 EUR

Period : 19th century

Condition : Très bon état

Material : Oak

Width : 55cm ( aux bras de la croix)

Diameter : 26cm (socle)

Height : 110cm

### Description

Astonishing cross typical of Black Forest craftsmanship in oak. Very refined sculpture work evoking an oak topped with acorns whose branches enclose a sun in the center of the cross whose top bears the INRI phylactery. The oak base with steps at the front is surrounded by a snake and decorated with large oak leaves. A ladder, spear and hammer are attached to the back of the cross. Rare and beautifully crafted piece of highly original Black Forest craftsmanship.
