Description

Old gate-gate well and fountain in riveted wrought iron.

Wrought iron

0.66m x 0.48m Weight: 4.7 kg

In good condition.

The lock is inoperative.

To be cleaned, brushed and waxed to have a beautiful patina.

Very nice grid to close a niche, an alcove, a small window, etc...

These grids closed the wells and fountains to avoid the theft of water and accidents.
