

## Art Nouveau Dressing Table Edouard Colonna

### Description

Superb rogon-shaped dressing table in molded and finely carved solid walnut, foliage, flowers and whiplashes. It rests on four legs with ribbed recesses, the side rails of the top are curved and deeply molded, the step is surmounted by a pivoting mirror. Golden bronze handles, we replaced the leather of the tray. The model can perfectly lend itself to a lady's desk, very good quality of cabinetmaking and superb patina!
