Description

In presentation here an impressive marble sculpture representing a majestic lions in all this splendor I inform you that the dimensions are important, so provide space for a good future presentations, I have marked ... very good condition although a very small lacks in the ear of the left, and lacks on the sculptures in the manes, ask for photos if possible, but frankly difficult to see at first glance on this set the origin is I think a realization of the north of france, maybe belgium or in the spend a lot of this kind of subject were made in the old marble quarries of which we can typically find this quality of marble Period estimate Napoleon III 1900 Additional photos on request with pleasure, shipments only in wooden cases and pallet, carrier document will follow as usual
