

## Candlestick

### Description

Description A "HÁNOUKIA " candlestick in solid silver Low grade silver controlled with hallmark 13 for 812/1000 From the mid-19th century Provenance AUSTRIA-HUNGARY Goldsmith:: GUITTE NHONA From the town of KROMPACH A cult object for certain Jewish holidays Rare object that normally remains and is transmitted from generation to generation... This is my 2nd object of this type in 30 years...! In good condition with it is true some wear (bumps and others) due to use... Not serious, the charm of the old... I think some small sockets are missing One can be unscrewed and can be screwed back on the other fasteners One is fixed, it must also move but I dare not force... For information, a goldsmith will be if necessary to redo the small containers... These small containers were to put
