Condition : Très bon état

<https://www.proantic.com/en/1086031-war-19141918-surgical-antenna-sterilizer.html>

Description

Rare surgical antenna sterilizer dating from the First World War. Used to sterilize anything that could be used again, bands, towels etc. This sterilizer was used by medical personnel who went from front to front. There is a virtually identical copy in the Verdun Memorial Museum. Very good condition, despite its servitude. Dimensions: Diameter 53.5 cm, Total height approximately 85 cm (with the vapor evacuation outlet), height of the feet 21 cm (from the ground to the bottom of the sterilizer. Possibility of sending, price according to destination.
