

Planter Emile Gallé Faiencerie St Clément

Description

Naturalistic decor of flowers, cornflowers, butterflies and bees for this small planter with a scalloped neck underlined with a golden marly. One of the sides presents a coastal landscape in a shade of blue, in a wooded atmosphere on a coast integrating a fortified tower, characters watch a few sailing boats evolve in the distance. Signed under the Gallé Nancy base in red and St Clément in blue. A note: small scale pinhead on a vertical edge and slight abrasions on the periphery.
