Description

We present this very pretty 19th century painting very well framed by Jules Ferdinand

BELLERY-DESFONTAINES born in Paris on March 20, 1867 and died on October 7, 1909 at the Petites Dalles. Our painting is a typical work of rural scenes in the fields of the 19th century or at the beginning of the 20th century. Table signed lower left. It was a specialty of this painter who died very young at 42 of typhoid fever. Very good condition, has been relined at my request.
