Description

Old necklace made up of 2 rows of rectangular links. The clasp is a spring ring.

Period: 20th century

Main material: yellow gold, 750 thousandths, 18 carats.

Proportions: Length: approximately 43.5 cm, mesh width: approximately 1.3 mm.

Net weight: about 13.5g.

Authentic antique jewel - Work from the 1950s.

Our opinion: Vintage gold necklace very elegant and easy to wear, the small rectangles sparkle under the light.
