Description

This relief oil was made by Robin. The canvas is colorful, it seems to represent an animal, perhaps prehistoric, without certainty. The work stands out through its composition, its colors and its material. We report some small lacks in places, however it remains in a largely acceptable state. She is not wearing protective glass. Our many photos allow you to appreciate the quality of the object. For the state, thank you for detailing the photos. Feel free to zoom. The photos are an integral part of the description.
