

## Antique Sturdy Lock Blade Stag Toledo Etched Spanish Pruning Knife. C 1870

875 EUR

Period : 19th century

Condition : Parfait état

Material : Other

Length : 26,5 cm ouvert

### Description

Solid and massive mid to late 19th century Spanish pruning knife nicely etched. It features a sturdy and thick 3,5 cm wide lock back curved blade with decorative archery hunter, dog, and elk or red stag deer wildlife hunt scene etch.

\*Toledo\* is etched transversally near the tang.

Beautiful genuine deer stag scales over steel parts. It features a bail at the end.

Blade is full and unsharpened with original sharp edge. Is tight with no movement/play and has a very firm snap.

Minor overall pitting on the blade and steel parts.

No damage to note to the stag handle.

26,5 cm fully opened, blade is 13 cm.
