### Description

This art-deco tank ring with its geometric and imposing volume, the tank ring is recognizable at first glance. The decorated setting is adorned with three finely set diamonds, the central diamond (0.25 carat) is set in a frame of platinum which gives it importance. The tank ring is enhanced by architectural lines including curved handles on the frame, giving it a sophisticated look. The rounded shape top surmounting the frame adds a touch of softness to the whole. The 0.6cm frame height allows this ring to be worn everyday, yet elegant enough for a special occasion. The dog's head, eagle's head and master hallmarks attest to the quality and authenticity of this ring, which makes it a rare and precious collector's item. This ring will be an unforgettable gift for a birthday, wedding or any other special occasion. Add this
