Description

Late 19th century French school: "Young women teasing a donkey", pencil drawing 19 X 26 cm, Japanese lined mounted under a marie-louise printed with a green Art-Nouveau decor 27 X 35 cm. Damned memory! We trust him and then... I had found, it seems to me, in one of the catalogs of the Salon the painting of which this drawing is an in-depth study and, by the time I got my hands on this drawing again in one of my many boxes, I don't remember who or where! Still, this beautiful drawing, gently erotic, showing two naked young women trying to lure a donkey into the river, is by a beautiful hand and deserves some research.
