Description

Spelter sculpture with green patina signed Georges Demange (1865-1945) representing a child counting coins that he holds in the palm of his left hand. Dressed in a cap and loose clothes, the chubby child with a soft face, stands straight, a mandolin under his left arm and a hoop under his right arm. Behind him, a balloon is added to his show accessories. With his playful air and candor, this little boy will bring a touch of joy and innocence to the room of your choice.
