Description

Chest of drawers in solid and natural walnut curved on the front as well as on the sides and on the uprights. It opens with two drawers on the front carved with scrollwork and foliage. Floral motifs frame the keyholes. The side panels have oval medallions surmounted by a scalloped cartouche. The equally curved uprights are carved with falls of acanthus leaves. The chest of drawers rests on four legs with a strong arch and winding. Openwork front crosspiece with rockeries and eventful side crosspieces. Overflowing solid walnut top. Nîmes work, Louis XV period, 18th century.
