Description

Hello, I offer you this very beautiful and old harness decorated with elephant heads. The harness is in solid walnut, of good quality, very heavy, the fenders are in ivory painted wood. It imposes with its size and its diameter, very stable. I would still point out a deformation of the board, which does not detract from its charm and its quality. This harness dates from the end of the 19th century. The dimensions are: Height 90 cm Width of the lower base (leg) 51 cm Diameter of the interior plate 33 cm Diameter of the exterior plate 41 cm Width from head to head 49 cm This harness is available in my shop located at 57 rue Victor Hugo, 76000 Rouen Possibility of sending (ask for a transport quote) See you soon ABN Antiquités Tel: 0638955430
