Description

a fine Secretary in walnut and burr walnut from the 18th century

Very good quality and small English model secretary composed of 3 drawers as well as a theater.

Entirely in walnut with a burr walnut flap. It is rare to find a walnut secretary dating from the 18th century.

This very beautiful secretary stands out by a nice interior with a theater with several arches and drawers and an overhang which is typical of 18th century secretaries and a door. Small lemon tree inlay on the drawers and the door.

it has a very beautiful patina and is in perfect
