

## Precious Polished Steel Embroidery Scissors Late 18th Century

280 EUR

Signature : Art Populaire

Period : 18th century

Condition : Etat d'usage

Material : Wrought iron

Length : 8,7cm

Width : 3,8cm

### Description

Superb British cutlery, end of 18th century or circa 1800, probably Sheffield, an impossible to find model from steel, perfectly adjusted, top entirely tool decorated of deep twists, from feet (two shod feet) to point !

Oval rings with scalloped facets. A unique steel lace work!

Beautiful condition, precise cut, could be polished better for a mirror-polished finish... Take a good look at our photos.

Dimensions: 8.7cm x 3.8cm.

This object is for immediate purchase, payable by credit card or paypal.
