### Description

Discover this magnificent floral brooch from the '50s, a true vintage treasure. Crafted from mother-of-pearl and shell, this brooch captures the essence of retro elegance. At the center of the brooch is a stunning leaf-shaped green agate, delicately framed by gold.

With a weight of 6.8 grams and a size of 4.3 cm, this brooch is small in size but not lacking in charm. Its floral design recalls the grace and femininity of the '50s, adding a retro-chic touch to your outfits.

The combination of mother-of-pearl and shell gives this brooch a luminous, delicate surface. The leaf-shaped green agate, captured by the gold, adds a touch of natural color and an organic
