Description

We are delighted to present to you this remarkable pair of Athenian-shaped candle holders, true gems inspired by the drawings of the renowned artist Jean-Charles Delafosse. These 18th-century candle holders perfectly combine functionality and aesthetics, offering a unique experience.

Each candle holder, in addition to being a magnificent candle stand, also doubles as an elegant incense burner. The combination of these two functions makes them versatile and sophisticated pieces, adding a touch of sophistication to your living space.

The meticulous attention to detail in these candle holders is truly extraordinary. They are exquisitely adorned and decorated, not only on their surfaces but also down to the smallest nook

and cranny, including the undersides. This meticulous finishing is a testament to the exceptional quality and attention to detail that characterized Delafosse's work.

The decorative motifs adorning these candle holders are breathtaking. Delicate scrolls, floral ornaments, and intricate carvings exemplify Delafosse's artistic skill and his dedication to creating unmatched beauty in his pieces.

Crafted from high-quality materials such as gilded bronze, these 18th-century candle holders embody the timeless elegance of the Louis XVI style. They will add a touch of distinction and grandeur to any interior, whether it be a luxurious living room, a refined library, or an elegant foyer. Do not miss this rare opportunity to acquire a pair of exceptional candle holders, showcasing the artistic greatness of Jean-Charles Delafosse and the exceptional craftsmanship of the 18th century.

These candle holders, combining functionality and aesthetics, symbolize unparalleled quality and exquisite taste. A true collector's item that will bring a touch of history and refinement to your home or art collection.
