Description

Very interesting statue from Timor representing an ancestor, wearing a severed head on his skull and sporting a shield or a protection panel. Beautiful ritual patina of use, visibly old, height 61 cm, with its base, comes from the collection of Mrs. Nina Wolmark, famous creator in the 80s of cult animated series (Rahan, Ulysses 31 ...). Shipping costs EUR18, small non-negotiable sale price, thank you for your understanding.
