### Description

This oil on panel or on cardboard was made by Félix Labbé, it represents the banks of a river with a pretty technique, a beautiful color. The work is presented unrestored, uncleaned, we report wear due to time, accidents on the frame, however the work remains presentable for someone not picky. Our many photos allow you to appreciate the quality of the object. For the state, thank you for detailing the photos. Do not hesitate to zoom in. The photos are an integral part of the description.
