Description

Exceptional enamelled earthenware holy water font from the end of the 18th century beginning of the 19th century decorated with cherubs. High quality enamel, great delicacy of lines and decoration! In very good shape ! Very nice bowl! Quite a large and rare model! Origin Bordeaux castle! Manufacture to be defined. Height of 38 cm by 15 cm in width and 6 cm in thickness at the level of the holy bowl. Visually stunning! Do not miss !
