Description

Superb Empire style 4-piece silver metal coffee service. In the style of the Malmaison model decorated with friezes of palmettes, tripod legs, coffee maker spouts and sockets decorated with dragon heads. The handles of the tray decorated with mascarons. - 1 tray, length from one handle to the other, 58 cm, width 37.5 cm - 1 coffee pot, height at the pine cone: 25 cm - 1 sugar bowl, height at the pine cone: 17 cm - 1 milk jug, height at the spout : 17 cm Beautiful condition for this service, I specify some stains and scratches from use on the tray (it remains very correct), the 3 shaped pieces in superb condition. A very elegant decor, beautiful shine, very nice rendering on the table.
