Description

Elegant Scandinavian living room, in solid teak, consisting of two armchairs and a 2-seater sofa. Beautiful profiles of the armrests, tapered legs, backrests with vertical bars, seat tensioners in good general condition. The cushions have been completely redone: removable covers, higher foam density at the seat level, wadding sewn around the foam. Structures completely restored: cleaning with steel wool, varnish reviver and teak oil finish. In very good general condition, I would like to point out a few scratches from use, a few turnbuckles whose sheath is worn in certain places and a slightly sloping seat crosspiece at the front. Possibilities of separating the set: - EUR2400 for the pair of armchairs - EUR2600 for the 2-seater sofa Dimensions of an armchair: 72 cm (w) x 72 cm (d) x 69 cm (h)
