### Description

Exceptional painting by Terzian, painter of Armenian origin born in Marseille. 1939.2021. Friend of Jacques de la Villeglé. Here in this work of collages, folding cutouts and mixed technique of glued canvas he pays homage to him. Transcribed on the back of the canvas. Format of 82x65 cm. In very good shape ! Work based on text cuttings on kindness, courtesy! Knowing how to live ! Very important in his eyes as an artist. Visually magnificent painting! Very colorful with a lot of details chosen and remarkably assembled! Very decorative and rare work! Signed. Do not miss !
