**Condition** Lalique's Legacy and Expertise: These bookends reflect the unique and timeless style of René Lalique, a pioneer of artistic crystal design. The 1948 model seamlessly blends functionality with sophistication, showcasing delicate contours and graceful feminine forms that symbolize softness and elegance. These pieces are a perfect fusion of decorative art and modernity.

**Care Instructions:** Gently clean with a soft, non-abrasive cloth to preserve the brilliance of the crystal. Avoid harsh or abrasive chemicals that may damage the satin finish.

**Uses and Inspiration:** Ideal for: Stabilizing your books or documents while adding an artistic and luxurious touch to your décor.

**Style:** Perfect for decorating a refined living room, library, or office.

**Prestigious gift:** An exceptional gift idea for art and crystal enthusiasts.

**Alternative uses:** These bookends can also serve as decorative sculptures, drawing attention as statement pieces.

**Authenticity and Presentation:** Each piece is signed Lalique France, guaranteeing its authenticity and origin. These bookends come with secure and elegant packaging.

**Why Choose This Piece?** Lalique bookends are not merely functional items; they are timeless works of art. Their rarity and elegant design make them highly sought-after pieces for collectors and luxury interior decoration enthusiasts. This is a unique opportunity to own an iconic model from the prestigious House of Lalique.
