Description

17th century painting representing a holy family. Very beautiful work on its period canvas showing very little restoration and being in close to original condition. More recent gilded wood frame, beautiful size 98 by 108 cm. Interesting work due to its very lively and dynamic composition presenting the child Jesus surrounded by the Virgin Mary and Saint Joseph treated in close-up and occupying the entire canvas. Old canvas, 17th century or early 18th century attributed to the Spanish or Italian school. Possibility of sending in France and throughout the world by professional carrier and by secure package.
