

Children's Hairdresser's Stool - Thonet Or Fischel - Circa 1900

120 EUR

Signature : Thonet ou Fischel

Period : 20th century

Condition : Prévoir restauration

Material : Solid wood

Description

Very pretty children's hairdresser's stool, probably by THONET, circa 1900. We decided to leave this stool "in its original state". The canework is original and in very good condition. The curved parts of the wood have been worked on, and deserve (or not) restoration.
