

Large 18th Century Putto In Walnut

1 400 EUR

Period : 18th century

Condition : Bon état

Material : Walnut

Description

Elegant putto in walnut from the 18th century. The standing putto is dressed in a cloth covering him at the hips, his arms stretched in the air as if he were playing the flute. The slightly round face with the smile gives him a lot of charm. Quality work and well sculpted, noted in the drape and the head. Presented on a molded wooden base, this sculpture is in its original condition.
