### Description

#### Quick description

Rare and old series of portraits, family circa 1880.

Drawings in pastels and charcoal, presenting the mother, father and little girl of a family.

Portraits of very good quality, unsigned, note a tear in the portrait of the young girl.

Presented in contemporary patinated frames for greater homogeneity.

The whole thing is very touching, presenting wonderfully well.

#### Dimensions

44cm high, 34cm wide.
