Description

Ennio Tomai - Quails

bronze, cm 20 x 17 x 15

Signed on the base: "E. Tomai"

Provenance: Rome, heirs of the artist

Bibliography: Ennio Tomai, exhibition catalogue curated by P. Del Cimmuto (Rivisondoli, Pinacoteca Civica, 7 August - 15 September 2017), Ascoli Piceno, Artificio Edizioni, 2017, similar specimen

Ennio Tomai's sculpture is characterized above all by his choice of animal subjects, particularly those born out of his passion for ornithology. Numerous and varied species of birds, treated with anatomical meticulousness and preciousity of line, appeared in exhibitions in the 1920s and 1930s, to the delight of critics and the public
