Description

A pair of large onyx vases from the 1950s exude elegance. Each of the vases is carefully carved from a distinct block of onyx, exhibiting varying shades of green and reddish veining. In excellent condition, these vases are made from the highest quality onyx. Dating from the 1950s, they measure 41x15x15 cm. These vases, with their unique combination of colors and natural patterns, showcase the craftsmanship of the period. The clean design and clean lines reflect the distinctive aesthetic of the 1950s, an era that favored simplicity and sophistication. The choice of individual blocks of onyx adds an exclusive touch, with each piece unique in its color palette and natural patterns. The green tones and reddish veins were probably selected to harmonize with the color schemes of interior decoration of the

period. Their excellent state of preservation suggests proper care over the years, enhancing their appeal as collectibles. The peak quality of onyx highlights not only the inherent beauty of the stone, but also a preference for premium materials during the 1950s. These vases likely occupied a prominent place in living rooms or entertaining spaces, serving as focal points adding a touch of luxury and style to the interiors of the era. In summary, this pair of onyx vases from the 1950s is not only a testament to mid-20th century elegance, but also a representation of artisanal quality and timeless aesthetics.
