Description

Polychrome relief sheet metal, period advertising for the soap "pur soap - confidence - Marseille"

In a stylized trompe l'oeil golden frame in fine relief is the brand of the soap.

In an oval, a young woman wearing a laurel wreath with a star behind her head, sits holding an olive branch in her right hand, her elbow resting on a box marked MM.

This image undoubtedly refers to the representation, standing, the statue of the Republic of Paris which brandishes an olive branch in token of peace and national reconciliation or the Statue of Liberty of New York with the star.

Good general condition, some small scratches, wear and deformation in the corner tips

Circa 1900
