### Description

Beautiful fish plate by Patrick Chaussepied  
Ceramist and professor of Fine Arts in  
Quimper

Few ceramic pieces appear on the market  
because, to my knowledge, Patrick Chaussepied  
moved quickly towards teaching, his production  
remaining in a family circle

Few biographical information on his Facebook  
page except "Patrik Chaussepied, born November  
6, 1937 in Quimper began with studies at the fine  
arts of Quimper, ceramist by trade, he turned to  
teaching" A large piece unique earthenware

Signed under the base

Diameter of 26 cm

In very good condition
