### Description

Achille Blot, Desvres Period (1900-1905).

Couple of Breton peasants.

Two large shaped pieces in ceramic and enameled terracotta from the Desvres factory, circa 1900-1905.

This large pair of shaped pieces in Desvres earthenware represents a Breton couple.

the man is dressed in his traditional costume and the elderly woman carries a huge bundle of wood. excellent condition with a superb glaze playing with the light like enamels.

signature on the terrace and hollow marks inside. very good general condition.

beautiful models of large earthenware figures for lovers of Breton art.
