Description

Pretty and rare spinning top vase in iridescent ceramic by Montières in Amiens. Beautiful iridescent decor with multiple colors of chevrons, very graphic and geometric, in full trend of the art-deco period. Elegant top shape, which strongly recalls the aesthetics of a Japanese piece, very refined on a small heel and small straight collar. Perfect condition, 15 cm in diameter, signed (varnished), circa 1920. very beautiful piece of art-deco ceramic, beautiful shine, sober and very designer
