## Interesting Deccan Jug, Mythical Animal Head, Aquamanile?? India 18th Or Earlier

245 EUR

Period : 18th century

Condition : En l'etat

Material : Bronze

Description
-------------

Unfortunately presented in its current condition, here is a very interesting bronze jug. On a circular pedestal, with a large ovoid body and a long beak with cut sides, decorated with the head of a mythical animal, its neck is surmounted by several developments, the last of which is absent. Probably a part of aquamanile, with a beautiful presence, both raw and elegant!

Bad condition: breaks and missing on pedestal, missing upper part, wear and dents. Please look carefully at my detailed photos, I'm not hiding anything!

Working from the Deccan, India, from the 18th century or earlier..

Dimensions: 24cm H x 14cm wide

For each purchase, you will find an invoice for the total amount less shipping costs, as well as my business card, to attach with it. My packages are studied for each object, and protected as required with professional and/or recovery materials. Objects worth less than 1000 euros will be taken care of by colissimo. Items worth between 1000 and 5000 euros will be handled by Chronopost. I can also arrange hand delivery for certain items to be delivered to Paris and French merchant unpackings and those exceeding 5000 euros, otherwise I would use a carrier. Please do not hesitate to get in touch with any additional questions
