Description

Very pretty inlaid painting, Nancy school by Guy "le chateau de Chillon". Very beautiful quality of marquetry, the photos speak for themselves...It represents the Chillon Castle on the banks of Lake Lemman with the Alpine massif in the background...What work! Nice frame too, I'll let you judge with these numerous photos... Piece signed Guy, completely in the Nancy school. This talented artist was a student of Gallé, he settled in Lunéville as a cabinetmaker and marquetry maker. It follows the more Alsatian work of Spindler... Authenticity guaranteed. PERFECT CONDITION, absolutely nothing to the marquetry, frame in very good condition also, one or two small rubbings. Extraordinary size: 97cm by 57 cm Superb inlaid painting, great quality! beautiful subject and very nice size.
