

# Donkey Louis XV Period

### 1 200 EUR

Period : 18th century Condition : Etat d'usage Material : Wallnut Width : 1.10m Height : 1.13 Depth : 0.54m

#### Description

We offer this Louis XV period donkey desk in walnut entirely in its "juice" for lovers of unrestored furniture. Of course we can consider a complete restoration of this piece of furniture. It is in good general condition with very worn but original leather, some traces of a long life visible in the photos, but in a beautiful quality of walnut.More information on request. DIMENSIONS: 1.10MX 0.54M AND 1.13M HEIGHT THE WRITING TABLET IS 0.78M DELIVERY ON QUOTE
