### Description

Teak cabinet with chrome handles 1960 (Italy)

This large wardrobe is an Italian work from the 1960's (label inside) designed by Luigi

Bartolini. it has a chrome-plated metal base and screws, the structure is made of teak veneer. the

wardrobe has 3 doors, one of which is smaller on the right, with 4 drawers at the base. the brass feet are adjustable. This enfilade is very representative of 1930s design, and the finesse of the handles is also striking.
