Description

Here is an ancient Sicilian folk cart, a lovely hand-painted work of 20th century folk art. The work is funny and moving. These are cardboard, wood and papier-mâché. As for the condition, we note that the characters have been glued back together, note wear on the polychrome, small wear on the slightly worn feathers. However, the whole remains in a good state of conservation. Our photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Feel free to zoom in. The photos are an integral part of the description. Dimensions: Height: 18 cm Width: 29 cm Depth: 11 cm E: M3078
