The Peters style was born in 1824 in Genoa; he  
was the first cabinetmaker to import and use  
steam-powered machines for production,  
something he boasted about in advertisements, a  
forerunner in this field as well, featured in various  
city newspapers. In addition to the Durazzo  
family, the Brignole-Sale and De Mari families  
also requested Peters' services. From 1828 he also  
began working for the House of Savoy first at the
