### Description

Buffet In Blond Walnut, a very beautiful buffet in solid walnut from Sologne.

beautiful blond walnut sideboard dating from the beginning of the 19th century, more precisely from the end of the 18th century and beginning of the 19th century.

it has two doors and two drawers with its original keys as well as its locks and its metal fittings.

It is decorated with sober sculpted decoration typical of this region.

excellent condition of the walnut and beautiful patina, no restoration to report except the boards of the interior shelf which have been redone.

no foot binding to report.

The drawer slides work very well.

preventive treatment with xylophene was carried out in the workshop.

some parts in the sapwood were a little bit attacked a long time ago but there's no one in there now.

the waxed patina of the blond walnut is superb.

A large, very practical sideboard offering plenty of storage space, a simple, slightly sculpted decor that can easily be integrated into a modern and contemporary interior.
