Skirt, kusazuri, and shorts, haidate, in black lacquered metal and blue silk. Leggings, suneate, made of iron plates, chain mail and blue and orange silk. Good general condition, slight traces of oxidation. Additional photos and details upon request. Sold with its transport case, gusoku bitsu, and its presentation support. Dimensions of the armor when seated: 136 x 46 x 49 cm Notes: In Japan, the samurai are commemorated every year, many people and temples often keep such armor for generations. And for the most passionate, this armor can, of course, be worn. Very decorative object.
