Description

Surprising and rare Empire style armchair.

In painted wood with a pretty patina, the armrest consoles are in the shape of horses' heads.

The front legs, well arched, are decorated with horse feet. Patterns on the crosspieces and the backrest.

Undoubtedly a commissioned work. Decorator, window, theater?

Original, both classic and very decorative.

The trim is redone, all that remains is to put on a fabric. It is also possible to keep it as is, the white fabric is impeccable

Height 92 cm

Width 84 cm

Depth 85 cm
